

Nominations sought _TWAS-Lenovo Science Prize in Engineering Sciences

TWAS, *The World Academy of Sciences (TWAS)* – *for the advancement of science in developing countries* is inviting nominations for the 2018 TWAS-Lenovo Science Prize.

The Prize, sponsored by Lenovo, has been established to give international recognition and visibility to outstanding scientific achievements made by **scientists living and working in the developing countries**.

In 2018 the prize will be given for **outstanding achievements in Engineering Sciences**.

The Prize carries a monetary award of USD100,000 provided by Lenovo, as well as a medal and a certificate highlighting the recipient's major contributions. The prize will be presented at a special ceremony arranged by TWAS.

The deadline for receiving nominations is **16 April 2018**.

Further details on eligibility criteria and submission procedure are available online:

<https://twas.org/opportunity/twas-lenovo-science-prize>

where the nomination form can also be downloaded.

TWAS-Lenovo Science Prize targets the *most prestigious* scientists in the field, therefore we rely on your discretion and scrutiny when nominating suitable candidates.
