

-----TWAS Research and Advanced Training Fellowship:  
2018 Call for Applications-----

TWAS, the academy of sciences for the developing world, [www.twas.org](http://www.twas.org), is now accepting applications for the TWAS Research and Advanced Training Fellowship programme. The deadline is **1 October 2018**.

The fellowships are offered to scientists from developing countries and are tenable at centres of excellence in various developing countries.

Eligible fields include one or more of the following: agricultural and biological sciences, medical and health sciences, chemistry, engineering, astronomy, space and earth sciences, mathematics and physics.

Please see <https://twas.org/opportunity/twas-fellowships-research-and-advanced-training> for the latest information regarding the above programme, including eligibility criteria, guidelines and **online application**.

Women scientists are especially encouraged to apply.
